

## About Advanced Federal

Advanced Federal Services Corporation (Advanced Federal) is a small business firm specializing in providing facilities operations and maintenance, logistics, administrative, engineering, and information technology services to the Federal Government. Headquartered in Madison, AL, our current operations include contracts in Alabama, Mississippi, New Mexico, Georgia, and Arizona. We received the Nat'l Safety Council's *Leadership Award* for 2000-2005, and we run safety- and quality-driven operations that focus on zero accidents and zero defects. We are in sound financial condition and are committed to meeting budget and schedule requirements while providing our customers with best value for the dollar.

*Advanced Federal combines the most technically qualified personnel with effective management & business practices, based on years of proven experience with all facets of Government contracting. This is what sets us apart from our competition.*

## About GSA

GSA consists of the Federal Supply Service, the Federal Technology Service, the Public Buildings Service, the Office of Government-wide Policy, & various Staff Offices, to include the Office of Small Business Utilization. There are 11 Regional GSA Offices to assist customers nationwide, located in Boston, New York, Philadelphia, Atlanta, Chicago, Kansas City, Fort Worth, Denver, San Francisco, Auburn (Washington), & Washington, D.C.

The Federal Supply Service (FSS) serves the federal community offering business, administrative & mission solutions, & provides a source for virtually every commercial product or service an agency might need. It manages the largest, most diverse & innovative federal marketplace in the world, with a business volume topping \$25 billion & bringing hundreds of thousands of federal customers together with more than 9,000 contractors.
